On January 14th, 2022, the Management Committee of Binhai Industrial Development Zone, Tianjin Pilot Free Trade Zone (Tianjin Port Free Trade Zone) signed the Investment Agreement, which is also known as the Contract for the Project with a total investment of RMB 1.2 billion, for the Oriental Yuhong Fuhong Green Building Material Production Base Project and the Binhai Financial Leasing Center Project in Binhai New Area, Tianjin. The aforementioned projects will be developed in two phases. Phase I of the projects will be developed on a land parcel of approximately 600 mu, and Phase II of the projects will be developed on a land parcel of approximately 1,600 mu. Each phase will be developed in accordance with the principle of [illegible] and the specific requirements of the [illegible].

The Company has entered into agreements with Shanghai Electric Group Finance Co., Ltd., Shanghai Electric Group Co., Ltd., Shanghai Electric Power Generation Group Co., Ltd., Shanghai Electric Nuclear Power Co., Ltd., Shanghai Electric Wind Power Group Co., Ltd., Tianjin Electric Power Construction Co., Ltd., Changsha Electric Power Design Institute Co., Ltd., Hubei Electric Power Xinfa New Material Co., Ltd. and Sichuan Electric Power Building Material Co., Ltd. for financial business services, which will be valid from January 1, 2024 to December 31, 2026. According to the agreements, the Company may deposit its funds with Shanghai Electric Group Finance Co., Ltd. at interest rates determined with reference to the benchmark interest rates published by the People's Bank of China from time to time, which are not lower than the interest rates for deposits of the same type offered by domestic commercial banks to the Company. The Company may also obtain loans from Shanghai Electric Group Finance Co., Ltd. at interest rates determined with reference to the benchmark interest rates published by the People's Bank of China from time to time, which are not higher than the interest rates for loans of the same type offered by domestic commercial banks to the Company. The Company may also obtain other financial services from Shanghai Electric Group Finance Co., Ltd., including but not limited to settlement, bill discounting, entrusted loans, etc., at fees not higher than those charged by domestic commercial banks to the Company for the same type of services. The Company has entered into agreements with Shanghai Electric Group Finance Co., Ltd. for financial business services, which will be valid from January 1, 2024 to December 31, 2026. According to the agreements, the Company may deposit its funds with Shanghai Electric Group Finance Co., Ltd. at interest rates determined with reference to the benchmark interest rates published by the People's Bank of China from time to time, which are not lower than the interest rates for deposits of the same type offered by domestic commercial banks to the Company.
